

Thank you for your continued and faithful support of the ministry of Central Church! Our online giving system is being replaced with a new platform. It will provide both you and Central Church with a variety of benefits, including:

- an enhanced online giving experience on all devices
- reduced processing fees for Central Church
- stored payment information for future transactions
- a greater level of security
- the ability to give via text message (once initialized)

To ensure your giving is not deducted from your account twice, you will need to delete your current recurring giving BEFORE you set up giving within the new tool.

To do so, please follow these steps:

1. Go to <https://centralsf.onlinegiving.org/donate>
2. Create a log-in with your email address
3. Click "Your Account / Donation History" on the right and cancel your giving
4. Click the red **Cancel**
5. Confirm Cancellation
6. Use the browser's back arrow twice to go to the main screen again
7. Set up your new giving

For more detailed instructions, watch this video: <https://vimeo.com/405519918>

Please transition your recurring online giving before **May 31, 2020** because we are closing the account with our former vendor.

Please feel free to email or call if you have questions.

Thank you for giving to Central.
