

The Life

Part 5: Called

John 1:29-34

Launch

If you could spend an hour with any person in history, who would it be? Why?

Explore

Read the passage

Why did the two disciples ask Jesus where he was staying?

After Andrew and Philip first discovered the identity of Jesus, what was the first thing they did? Why is this significant?

Jesus's interactions with Peter and Nathanael were powerful. How were they similar? How did they differ from each other?

Apply

The news about Jesus primarily spread by word of mouth, by people inviting their friends and family to encounter him. Why was this effective? Is it still effective today? Why or why not?

When Nathanael expressed skepticism and cynicism about Jesus, Philip simply told him, "Come and see." Have you ever found yourself in a situation like this? What happened?

Who are people in your relational world who you need to ask to "come and see" Jesus? When and how can you invite them?

Pray

Pray that we'd be sensitive to recognize the opportunities to invite people to experience Jesus for themselves. Pray for wisdom, boldness, and patience.
