Read the passage

When Mary asked Jesus to help, what do you think she was expecting him to do?

What did Jesus mean by "My hour has not yet come"?

Jesus could have created wine any way he chose. Why do you suppose Jesus commanded the servants to fill those pots with water?

John described this as "the first of Jesus' signs." What was it a sign of?

This wine in Cana wasn't Jesus' most recent act of creation. **Read 2 Corinthians 5:17.** What is Jesus still creating today? What "new things" has He brought into your life?

The groom in this story had a "near miss." If Jesus hadn't showed up in time, the party would have been a disaster. Has God ever showed up just in time for you?

The groom was utterly clueless at first. Has God been at work in your life "behind the scenes?" Name some ways God has blessed you that you weren't initially aware of.

Pray

Pray that we would be aware and appreciative of the new things Jesus is making in our lives.
