**The Principle of the "Step"
Joshua 3:8-17**

If you wait for perfect conditions, you'll never get anything done!
(Ecclesiastes 11:4 NLT)

Every _____ begins with one _____!

Give these instructions to the priests who are carrying the Ark of the Covenant: "When you reach the banks of the Jordan River, take a few steps into the river and stop. The priests will be carrying the Ark of the Lord, the Lord of all the earth. When their feet touch the water, the flow of water will be cut off upstream, and the river will pile up there in one heap."
(Joshua 3:8, 13 NLT)

The miracle of crossing the Jordan River didn't start until the priests _____ into the _____.

Three things that make a step of faith easier:

1. Remember, the worst day in the _____ is better than the best day in the _____!
2. God wants you to _____ your _____ story, not someone else's!
3. Remember faith is never _____ or _____.
